To whom it may concern,

This is a letter of reference for Gary.

Gary the Magician was part of our summer camp this past year. He was a part of our summer team in two ways. First Gary was a part of our staff training where he led our staff (20 summer cabin leaders) in some great easy to learn tricks that they were able to keep kids having fun while in afternoon cabin time or meal times waiting for something to start. Many times during the summer we witnessed staff using some of the tools Gary shared with us. Our staff loved having him a part of the training week and we hope to have him a part of those times in the future.

Secondly Gary was part of one of our Thursday nights camp's talent shows. Each week of the summer the kids and their counselors put on a talent show where each cabin performs their own skit, mini play, dance routine and or whatever they would dream up. Gary played the part of host for the show and did some amazing and interactive magic tricks during the between while hosting. The campers responded well and we really enjoyed once again having Gary a part of our camp.

Gary was high energy, easy going and very flexible while working with us. We enjoyed having him very much and look forward to working with him in future camp events.
