

## SUPPLIER EVALUATION

---

**SUPPLIER NAME:** Now That's Magic (Magic Show)  
**EVENT DATE:** Sunday, December 14, 2014  
**EVENT LOCATION:** Burnaby Central High School  
**SUPERVISOR:** Sharon Bonner

1. **VENUE:**

a. **Any load in/set-up problems?** No. He used the front door as it was closer to our green room. This worked fine.

2. **ENTERTAINMENT:**

b. **Did the group respond well to the entertainment?** Yes, the kids were very happy and loved the show. I wish more children would've come up and watched. I enjoyed the pre-show magic trick with the cell phone inside of the balloon...awesome!

c. **Did entertainment fit well into the event theme?** Yes, they were dressed as Santa's Elves which, of course, is perfect for a Christmas party. The costumes looked lovely and well cared for. Awesome look!

d. **How was the presentation?** Comical and entertainment. We would have liked the sound to be a bit louder, as we found it hard to hear. Thanks for playing music before your performance. We really appreciated it.

e. **Was the costume appropriate?** Costumes were so incredible!

3. **COMMENTS:**

a. **Any additional comments:** I felt it was above and beyond that Gary and his wife went out into the crowd and greeted all the kids, playing with them as they entered the venue. It was great that they were adaptable to our change in time as well.

b. **How would you rate this performance and why?** 10/10 - so friendly and so easy to work with. A real pleasure.
