To Whom It May Concern;

On behalf of the Abbotsford Agrifair, I would enthusiastically recommend Gary Savard, **NOW THAT'S MAGIC** for your special event, fair, festival or ANYTHING!! We have had the pleasure of working with Gary for many, many years. Gary's show is never the same and he is so flexible with whatever you request.

Gary is very professional to work with during contract negotiations and reliable in fulfilling his contract. The show he provides is family friendly, action-packed and thoroughly enjoyed by all our fair guests. It is always one of our main attractions and frequently requested to return again and again. We have never had any issues with Gary. From beginning to end, contracting **NOW THAT'S MAGIC** is a positive experience and a wonderful addition to your event!

Sincerely,

Melanie Kish, Assistant Manager
